

February 28, 2026

Dear Valued Customer,

On April 27, 2026, Middletown State Bank and Longview Community Bank will merge and become one bank under the name Longview Community Bank.

All locations and employees will remain the same. You will continue to work with the same trusted staff you work with today.

Nothing will change for current Longview Community Bank customers. Your accounts, services, online banking, and mobile app will stay the same.

Middletown State Bank customers will see a few updates. Please review the attached FAQ for details about online banking, the mobile app, products, services, and fees.

The merger will improve efficiency and strengthen the services we provide across the region. It will also expand services into Menard County and Logan County. Robert Barker, former President of Middletown State Bank, and Corky Joyner, Board Director, will join the Longview Community Bank board. Both banks are owned and operated by Longview Capital Corporation of Newman, Illinois.

Our goal is to keep this transition simple for every customer.

We appreciate your continued relationship with us. We value your place in the rural communities where we live and work.

Sincerely,
